We was going to check the haul roads to see if still had been dubor not

But I told y'all that there was a gas line y'all need to be careful and I was worried when you all were digging over there I had no clue did you move the haul to the other side that's not even where we're supposed to be digging

(b) (6), (b) (7)(C)

We didn't move the haul (b) (6), (b) (7)(C) wanted to dig test holes before we moved anything

SEP 23, 10:52 PM
